

UCO®500 Xpress Wax Lite

Protective gloss wax

UCO®500 Xpress Wax Lite is a concentrated wax designed for self-wash and manual washing applications. The quality formula will provide a hydrophobic effect and protection to the vehicles' bodywork.

UCO®500 is suitable for hard and soft water. Cold water is advised as heated water is not needed.

An enjoyable fruity fragrance and light foaming is added to optimize the overall customer experience.

UCO®500 Xpress Wax Lite is free from hydrocarbons.

Application and dosage

Automatic carwashes: 5 to 20 ml/car is recommended.

Foam gun: 1/10 - 1/25

Manual sprayer: 0,4 - 1%.

Storage and disposal

Store only in the original container in a cool, well-ventilated place. Keep the container closed when not in use. Dispose of safely in accordance with local/national regulations.

Safety instructions for the user

Keep out of reach of children. Minimize the risk of eye contact. In case of contact with eyes, rinse immediately with plenty of water. Consult a doctor if pain, blinking, or redness persists. Please consult the safety data sheet.
