

UCO®260 Beton Off

Powerful & concentrated remover of concrete.

UCO®260 Beton off is a powerful blend of detergents and acid.
UCO®260 is the solution to efficiently remove stubborn layers of lime and cement.
UCO®260 is a strong decalcifier.

Application and dosage

Dilute 10 to 50% depending on the degree of pollution.
Spray from bottom to top, from left to right. Let the solution react for a short time. Do not let it dry out. Repeat is needed. Rinse high pressure and neutralize the surface with an alkaline cleaner.
Brush only if needed.

Storage and disposal

Store only in the original container in a cool, well-ventilated place. Keep the container closed when not in use. Dispose of safely in accordance with local/national regulations.

Safety instructions for the user

Keep out of reach of children. Minimize the risk of eye contact. In case of contact with eyes, rinse immediately with plenty of water. Consult a doctor if pain, blinking, or redness persists. Please consult the safety data sheet.
