

UCO®960 T&G²

Safe & efficient Tar, Glue & Grease remover

UCO®960 T&G² is a ready-to-use spray for removing tar, glue, grease, and other such as tree sap, asphalt residue and oil.

UCO®960 is mild blend of components that evaporate slowly and give an enjoyable scent while using.

UCO®960 reactive components ensure quick dissolving of the organic residue.

UCO®960 T&G² is pH neutral formula that is safe to use on solvent resistant surfaces (paint, metal, glass, ceramic, etc.).

Application and dosage

Apply UCO®960 T&G² with a spray bottle or sprayer on a cool surface. Let it react for 1-2 minutes, don't let it dry. Then rinse off high pressure or wipe with a cloth.

It's recommended to test compatibility prior to use. Not safe on plastics.

Do not use in direct sunlight or on hot surfaces.

Storage and disposal

Store only in the original container in a cool, well-ventilated place. Keep the container closed when not in use. Dispose of safely in accordance with local/national regulations.

Safety instructions for the user

Keep out of reach of children. Minimize the risk of eye contact. In case of contact with eyes, rinse immediately with plenty of water. Consult a doctor if pain, blinking, or redness persists. Please consult the safety data sheet.
