

UCO®330 PURO High Foam

High foaming soft shampoo, high degradable.

Definition

UCO®335 PURO High Foam is an ultra-concentrated pH-neutral foam shampoo, highly biodegradable and with an intense arctic fragrance.

UCO®335 is designed as a high foam shampoo that will optimize the bacterial balance in your automatic carwash with a water recycling system. With the proper knowledge and right settings, this will increase the overall customer experience and decrease the downtime.

UCO®335 PURO High Foam is the foam shampoo recommended when the odor and clarity of the water need to be optimized.

UCO®335 is highly suitable for the wall of foam application.

UCO®335 improves the overall customer experience.

Application and dosage

Automatic washing:

- It is designed to be used in combination with air pressure and water to obtain optimal foam coverage.
- 10 to 20 ml (0.1 – 0.2 %) per vehicle is recommended in normal conditions. This may need to be increased, according to the desired foam quality. Rinse off with clear water. Afterwards, apply polish, wax, or drying agent. Dry the car.

Manual cleaning:

- 0.4 - 2 % or 1/250 to 1/50, which means 1/25 to 1/5 in a foam gun. This may need to be increased, according to the desired foam quality. Rinse off with clear water. Afterwards, apply polish, wax, or drying agent. Dry the car.

Specifications

Physical state	Liquid
Color	Green
pH	5.5 (1 %)
Density	1.02 kg/L
Solubility	Completely soluble in water

Storage & Disposal

Store in a dry, cool, and well-ventilated place (5 – 30 °C). Ensure a fire-safe environment. Do not expose to temperatures above 50 °C.

Store only in the original packaging. Do not open the packaging if not in use.

Opened packaging must be carefully sealed and stored upright to prevent leakage.

Dispose of empty packaging in accordance with local or national guidelines.

Safety instructions

Avoid contact between acidic and alkaline products. Never mix with chlorine-containing products.

Always test the compatibility of the product on a small surface.

Contact your UCO®Group representative for a customized cleaning and disinfection plan tailored to your company's needs. Before use, please consult the safety data sheet for this product.
