

UCO[®]901 Complete Glass

Pro glass & surface cleaner

Definition

UCO[®]901 Complete Glass is a ready-to-use spray for cleaning glass and other hard, water resistant surfaces. Suitable for cleaning glass, mirrors, interiors, chrome, screens, desks, etc.

UCO[®]901 is made to clean fast and efficiently; removes grease, nicotine, air conditioning film and other contamination.

UCO[®]901 is pH neutral and does not contain ammonia.

UCO[®]901 ensures a streak-free and glossy finish.

Application and dosage

UCO[®]901 Complete Glass is ready-to-use. Apply UCO[®]901 with a spray bottle to a clean cloth or directly to the surface and wipe off.

Specifications

Storage & Disposal

Store in a dry, cool, and well-ventilated place (5 – 30 °C). Ensure a fire-safe environment. Do not expose to temperatures above 50 °C.

Store only in the original packaging. Do not open the packaging if not in use.

Opened packaging must be carefully sealed and stored upright to prevent leakage.

Dispose of empty packaging in accordance with local or national guidelines.

Safety instructions

Avoid contact between acidic and alkaline products. Never mix with chlorine-containing products.

Always test the compatibility of the product on a small surface.

Contact your UCO[®]Group representative for a customized cleaning and disinfection plan tailored to your company's needs. Before use, please consult the safety data sheet for this product.
