

UCO[®]CARE 3 FILM

Sprayable film-forming barrier dip

Description

UCO[®]CARE 3 FILM is a film forming iodine teat sealant, just made better.

UCO[®]CARE 3 FILM creates a skin-like, elastic matrix to secure prolonged protection against external contamination after milking, until the next milking.

UCO[®]CARE 3 FILM is reinforcing the teat skin function and protecting against adverse effects in dry and cold weather, enhanced by elevated levels of skin conditioners.

UCO[®]CARE 3 FILM kills off mastitis-causing bacteria and yeasts fast and effective.

UCO[®]CARE 3 FILM is fast and easy to apply by using UCO[®]CARE teat dip cups. UCO[®]CARE 3 FILM is suitable for any size and type of dairy herd.

Properties

Covering of the teats by a visible breathable shield. Optimal consumption thanks to micro-thin cover technology. Easy to remove during the subsequent pre-milking milking protocol. Part of the UCO[®]LIFE udder hygiene solutions concept.

Specifications

Physical state	Liquid
Color	Deep brown
pH	4
Density	1.02 kg/L

Instructions for use

Apply UCO[®]CARE 3 FILM on the teats by means of a clean UCO[®]CARE teat dip cup immediately after each milking. Make sure each teat is completely covered with UCO[®]CARE 3 FILM for at least 75% of its length.

Keep cows standing for a sufficient amount of time after treatment.

Storage & Disposal

Store in a dry, cool, and well-ventilated place (5–30 °C). Do not expose to temperatures exceeding 50 °C.

Store only in the original packaging. Do not open the packaging if not in use. Opened packaging must be carefully sealed and stored upright to prevent leakage.

Dispose of empty packaging in accordance with local or national guidelines.

Safety Instructions

Primarily intended for professional, industrial, and agricultural use.

Avoid mixing acidic and alkaline products. Do not mix with chlorine-containing products.

Always test the product's compatibility on a small, inconspicuous area before full application.

Always consult the Safety Data Sheet for this product before use.

Consult with your UCO[®]LIFE consultant to establish the milking protocol your herd deserves.

Use biocides safely. Before use, read the label and the information concerning the product.

The specified uses and registered claims for the product may vary from country to country. Please contact UCO[®]GROUP to verify country-specific approved uses.
