

UCO[®]CARE 3 SPRAY

Iodine uddercare - spray

Description

UCO[®]CARE 3 SPRAY is the sprayable all-round iodine teat disinfectant for dairy cows and other milk producing animals.

UCO[®]CARE 3 SPRAY's mild formulation offers best-in-class skin care.

UCO[®]CARE 3 SPRAY is developed for use in spray systems of robots and VMS.

UCO[®]CARE 3 SPRAY is a ready-to-use solution and easy to apply by using spray systems and dipping tools.

UCO[®]CARE 3 SPRAY kills off mastitis causing pathogens like bacteria and yeasts in a fast and effective way.

UCO[®]CARE 3 SPRAY is suitable for any size and type of dairy herd.

Properties

Great coverage of teats by excellent sprayability. All-season teat care. Part of the UCO[®]LIFE udder hygiene solutions concept.

Specifications

Physical state	Liquid
Color	Deep brown
Density	1.02 kg/L

Instructions for use

Apply UCO[®]CARE 3 SPRAY on the teats by means of a spray cup or automated spray systems immediately after milking. Make sure each teat is completely covered with UCO[®]CARE 3 SPRAY for at least 75% of its length.

Keep the cows standing after the treatment during sufficient time.

Consult with our UCO[®]LIFE consultant to establish the milking protocol your herd deserves.

Storage & Disposal

Store in a dry, cool, and well-ventilated place (5–30 °C). Do not expose to temperatures exceeding 50 °C.

Store only in the original packaging. Do not open the packaging if not in use. Opened packaging must be carefully sealed and stored upright to prevent leakage.

Dispose of empty packaging in accordance with local or national guidelines.

Safety Instructions

Primarily intended for professional, industrial, and agricultural use.

Avoid mixing acidic and alkaline products. Do not mix with chlorine-containing products.

Always test the product's compatibility on a small, inconspicuous area before full application.

Always consult the Safety Data Sheet for this product before use.

Consult with your UCO[®]LIFE consultant to establish the milking protocol your herd deserves.

Use biocides safely. Before use, read the label and the information concerning the product.

The specified uses and registered claims for the product may vary from country to country. Please contact UCO[®]GROUP to verify country-specific approved uses.
