

UCO[®]DES ALCO

Alcohol-based disinfectant

Description

UCO[®]DES ALCO is a ready-to-use disinfectant for hands and surfaces.

UCO[®]DES ALCO offers effective and fast-acting protection.

UCO[®]DES ALCO is a powerful, quick-drying solution formulated to eliminate 99.9 % of common germs and bacteria—on both skin and surfaces.

UCO[®]DES ALCO can be used in food production areas, medical centers, veterinary clinics, and all other environments where quick and safe disinfection is required.

UCO[®]DES ALCO is skin safe.

Properties

Based on 70 % denatured ethyl alcohol.

Optimal drying time.

Proven broad-spectrum (bacteria, viruses, fungi, yeasts) antimicrobial agent, tested according to international biocidal standards.

For professional and public use.

Transparent disinfectant, no staining.

Meets biodegradability criteria and safety as required by EU.

Safe for use in biological agriculture according to EC regulation N° 834/2007 (approval pending).

Specifications

Physical state	Liquid
Color	Colorless
pH	7.0
Density	0.89 kg/L
Solubility	Completely soluble in water

Instructions for use

Hand/skin disinfection:

- Apply small quantity (4ml) of UCO[®]DES ALCO to the palm of one hand.
- Cover all surfaces of hands.
- Rub your hands and fingers together until they are dry. This should take around 2-30 seconds.

Surface disinfection:

- Check all surfaces are cleaned (UCO[®]FOAM) and dry.
- Simply spray (400 a 500 ml per m²) and allow to air dry.

UCO[®]DES ALCO

Alcohol-based disinfectant

Storage & Disposal

Store in a dry, cool, and well-ventilated place (5–30 °C). Do not expose to temperatures exceeding 50 °C.

Store only in the original packaging. Do not open the packaging if not in use. Opened packaging must be carefully sealed and stored upright to prevent leakage.

Dispose of empty packaging in accordance with local or national guidelines.

Safety Instructions

Primarily intended for professional, industrial, and agricultural use.

Avoid mixing acidic and alkaline products. Do not mix with chlorine-containing products. Always test the product's compatibility on a small, inconspicuous area before full application.

Always consult the Safety Data Sheet for this product before use.

Contact your UCO[®]Group representative for a customized cleaning and disinfection plan tailored specifically to your company's needs.

Use biocides safely. Before use, read the label and the information concerning the product.

The specified uses and registered claims for the product may vary from country to country. Please contact UCO[®]GROUP to verify country-specific approved uses.
