

UCO®FLOW 330

Concentrated acidic, non-foaming CIP-cleaner

Description

UCO®FLOW 330 is a concentrated milking equipment cleaner.

UCO®FLOW 330 is a powerful periodical CIP cleaner for cleaning and descaling of milk harvesting and milk storage tanks.

Properties

Effective removal of milk stone, lime stone and minerals.

Non foaming, phosphoric/nitric acid concentrate.

Can be used for cleaning of food contact surfaces.

Part of the UCO®FLOW concept: by setting up an effective cleaning routine, achieving a premium milk quality and reducing the risk of bacterial growth in the milking installation.

Consult with our specialists for establishing the right program.

Specifications

Physical state	Liquid
Color	Colorless
pH	1. (1%)
Density	1.15 kg/L
Solubility	Completely soluble in water

Use & Dosage

Prerinse your system with water, preferable with temperature of 40-45 °C.

Rinse with 0.5 % UCO®FLOW 330 solution (0.5l/100l of water), preferably with a temperature of 50-85 °C and let the solution circulate for 5-15 min (keep temperature above 40 °C).

Drain the cleaning solution.

Rinse with water, meeting drinking water quality standards.

Monitor the cleaning results and adjust dosage and/or frequency if required.

Consider the use of an UCO®FLOW disinfectant if situation requires.

Storage & Disposal

Store in a dry, cool, and well-ventilated place (5-30 °C). Store only in the original packaging. Do not open the packaging if not in use. Opened packaging must be carefully sealed and stored upright to prevent leakage.

Dispose of empty packaging in accordance with local or national guidelines.

Safety instructions

Primarily intended for professional, industrial, and agricultural use.

Avoid mixing acidic and alkaline products. Do not mix with chlorine-containing products

Always test the product's compatibility on a small, inconspicuous area before full application.

Always consult the Safety Data Sheet for this product before use.

Contact your UCO®Group representative for a customized cleaning and disinfection plan tailored specifically to your company's needs.
